Cargo e-bikes

"Willi" & "Julchen"
booking free of Charge

The City of Jülich offers two cargo e-bikes – “Willi” and “Julchen” to persons of full age, free of charge. Interested persons can use these bikes after registration for everyday non-commercial purposes like shopping and other transportation tasks as well as for trips with younger children in the child seats. The bikes have been granted by the provincial government of NRW. Places of location are the inner courtyard of the New City Hall and the heart of the city next to the tourist office. The rental is possible either via the online booking procedure or via the Evemo app.

Just 4 steps to get the cargo e-bike of your choice:

1. Download the terms of use from www.juelich.de/lastenrad
2. Register at the City of Jülich by presenting your ID and signing the terms of use.
3. Book the cargo bike of your choice
4. Receive the code for the key safe by email or in the app and pick up your bike
